

**Thursday, February 13th
at the Old Church**

The BV Naturalists present:

“The Wildlife of Tyhee Lake”

by Michael Kawerninski

Through his images, Michael will show the biodiversity of the birds and mammals that inhabit and are central to Tyhee Lake and demonstrate the need to preserve the ecological integrity of the lake

Introduction by the president of Tyhee Lake Protection Society Dr. Alan Campbell

Talk starts at 7:30pm

Non members welcome!
